Trading on Alliance Security Australia in World Affairs 2001-2005

Edited by James Cotton and John Ravenhill
Melbourne: Oxford University Press, 2006. Paperback, 404pp.

This latest book in the accomplished series *Australia in World Affairs* charts the Howard government's response to a particularly demanding external environment, in an era when foreign policy issues had a significant impact on domestic electoral politics. Written by leading scholars, this volume provides the definitive record of Australian foreign policy during the second Howard government.

"An unambiguous triumph of Australian scholarship and research."

Australia in World Affairs 1950-2000

CD-ROM, © Australian Institute of International Affairs, 2006

This CD-ROM outlines Australia's turbulent foreign policy between 1950 and 2000 as seen through the AIIA's successful *Australia in World Affairs* series. Nine volumes of 3,500 pages are now available in searchable PDF format, providing an invaluable resource for those interested in Australia's foreign policy. There are only a few countries in the world which can pride themselves on having their foreign policy as continually documented and analysed as Australia. It is a remarkable collection. **Limited edition.**
