NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of accounting

The financial report is a general purpose financial report which has been prepared in accordance with the Corporations Act 2001, Australian Accounting Standards and Interpretations, and complies with other requirements of the law. Accounting Standards include Australian equivalents to International Financial Reporting Standards ("AIFRS").

The financial report has been prepared on an accrual basis and is based on historical costs. The financial report is presented in Australian dollars and amounts are rounded to nearest dollar.

The financial statements have been prepared on a going concern basis, which assumes the realisation of assets and the extinguishment of liabilities in the normal course of business and at the amounts stated in the financial report.

The following significant accounting policies have been adopted in the preparation and presentation of the financial report. The accounting policies have been consistently applied and are consistent with those of the previous year.

(b) Statement of compliance

Accounting Standards include Australian equivalents to International Financial Reporting Standards ("AIFRS"). A statement of compliance with International Financial Reporting Standards cannot be made as the company is considered to be a Not-for-Profit entity and has prepared the financial statements in accordance with the requirements regarding Not-for-Profit entities as contained in Australian Accounting Standards.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(e) Revenue

Membership subscriptions are recognised over the period to which they relate.

Interest revenue is recognised on an accrual basis.

Rental income is recognised as it accrues over the period that the property is leased to third parties.

All revenue is stated net of the amount of goods and services tax (GST).

(f) Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at bank and in hand and short-term deposits with an original maturity of three months or less. For the purposes of the Cash Flow Statements, cash and cash equivalents consist of cash and cash equivalents as defined above.

(g) Endowment Fund

An Endowment Fund was created this year for the purpose of building significant capital and to strengthen the Institute's financial base. The fund is to receive capital injections from specific fund-raising activities, bequests and donations.

(h) Stock

There is a stock of branded promotional material held as gifts for speakers and sales to members.

(i) Property, plant and equipment

Carrying Value

Each class of property, plant and equipment is carried at cost less, where applicable, any accumulated depreciation and impairment losses.

Depreciation

The depreciable amount of all fixed assets including buildings, but excluding freehold land, is depreciated using the diminishing value method over their useful lives to the Australian Institute of International Affairs Victoria Limited commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable assets are:

<u>Class of Asset</u>	<u>Depreciation Rate</u>
Building	Over useful life of 30 years - 3.33%
Computer Equipment	37.5%
Office Furniture & Equipment	15%, 22.5% & 30%
Website	80%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date. An asset carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2014

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(h) Property, plant and equipment (Continued)

Impairment

The carrying values of plant and equipment are reviewed for impairment at each reporting date, with the recoverable amount being estimated when events or changes in circumstances indicate that the carrying value may be impaired. Impairment exists when the carrying value of an asset or cash-generating units exceeds its estimated recoverable amount. The asset or cash-generating unit is then written down to its recoverable amount.

Impairment losses are recognised in the income statement.

Disposals

An item of property, plant and equipment is derecognised upon disposal or when no further future economic benefits are expected from its use or disposal.

Any gain or loss arising on disposal of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the year of the asset disposal.

(i) Employee benefits

The provision for employee entitlements to wages, salaries and annual leave represents the amount which the company has a present obligation to pay resulting from employee services provided up to the balance date. The provisions have been calculated at undiscounted amounts based on current wage and salary rates and include related on-costs.

(j) Superannuation

Contributions to employee superannuation funds are charged against income as they are made. The employer contributions are paid to an approved superannuation scheme.

(k) Trade and other payables

Trade and other payables are recognised when the company becomes obliged to make future payments resulting from the purchase of goods and services. The amounts are unsecured and paid within 30 days of recognition.

NOTES TO THE FINANCIAL STATEMENTS

- (i) where the amount of GST incurred is not recoverable from the taxation authority, it is recognised as part of the cost of acquisition of an asset or as part of an item of expense, or
- (ii) for receivables and payables which are recognised inclusive of GST, the net amount of GST recoverable from, or payable to the taxation authority is included as part of receivables or payables in the Balance Sheet. Receivables and payables are stated with the amount of GST included.

INDEPENDENT ASSURANCE PRACTITIONER'S REVIEW REPORT

To Directors' of Australian Institute of International Affairs

Report on the Australian Institute of International Affairs Financial Report

We have reviewed the accompanying financial report of the Australian Institute of International Affairs, which comprises the Income Statement for the year ended on 30 June 2014, the Balance Sheet as at 30 June 2014, the Statement of Recognised Income and Expenditure and the Cash Flow Statement for the year ended 30 June 2014, as well as a summary of significant accounting policies and other selected explanatory notes.

Directors' Responsibility for the Financial Report

The Directors of the company are responsible for the preparation and fair presentation of the financial report in accordance with the Australian Accounting Standards and the Corporations Act 2001. This responsibility includes establishing and maintaining internal controls relevant to the preparation and fair presentation of the financial report that will ensure that the report is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Assurance Practitioner's Responsibility

Our responsibility is to express a conclusion on the financial report based on our review. We conducted our review in accordance with Standard on Review Engagement ASRE 2400 *Review of a Financial Report Performed by an Assurance Practitioner who is Not the Auditor of the Entity*, in order to state whether, on the basis of the procedures described, anything has come to our attention that causes us to believe that the financial report is not presented fairly, in all material respects, in accordance with the Australian Accounting Standards. ASRE 2400 requires us to comply with the requirements of the applicable code of professional conduct of a professional accounting body.

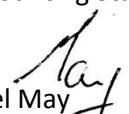

A review of a financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we could become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the Corporations Act 2001.

Conclusion

Base on our review, which is not an audit, nothing has come to our attention that causes us to believe that the financial report of Australian Institute of International Affairs does not present fairly, in all material respects, the financial position of the company as at 30 June 2014, and of its financial performance and its cash flows for the period ended on that date, in accordance with Australian Accounting Standards and the Corporations Act 2001.
