

**Australian Institute
of International Affairs**
Victoria

Membership Package

2024

Welcome

AllA is an independent and non-political organisation providing fact-based insights on matters relevant to Australia's position internationally and the policy challenges presented. In a highly integrated world, this has never been more important. The AllA is unique in its focus and activities in Victoria in this area.

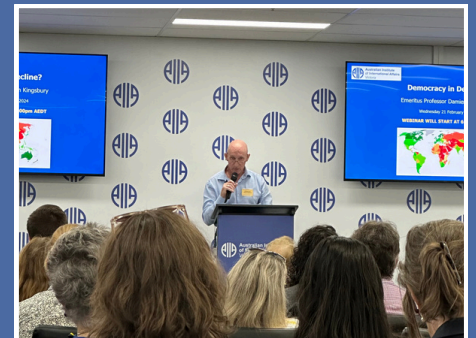

AllA's mission is to help Australians understand and engage more effectively in international affairs. The Institute provides a forum for the discussion and debate of contemporary international issues, economic, political and social, through a series of seminars, webinars and conferences at our centrally located, new offices at 356 Collins St.

We host special events, roundtables, an annual International Careers Conference, overseas study tours, workshops, and a Young Professionals network. Our programs are designed to appeal to a wide range of backgrounds, ages, and interests, accessible to the general public as well as institute members.

Established in
1925
